《各种不同型男 你的男朋友是哪一型？》

breakthrough

The 90s were a breakthrough period for the modern man - a time when it finally became acceptable for the male sex to admit they use moisturiser.

?????????90???????????——??????????????????????

The new breed of men became so common that a new phrase was coined to describe them - the metrosexual, with stars like David Beckham and Cristiano Ronaldo leading the trend.

????????????????????????????????——“?????”???.???????????•????????????????

A new study by Braun has identified the four different new breeds. They identified them as Mr Mandrogynous, Mr Mainstream Moustache, Metro-Dude and The Remantic.
