

《Out of juice是什么意思？你以为是“没果汁了”？》

如果你听到外国人说“ My phone is out of juice ”， 你是不是一脸懵：手机掉果汁里了???

??juice????????????????????????????????????~!

???juice???????????????

out of juice ???

??

???????“My phone is out of juice”????????????juice???????power?out of juice=out of power????????????????

I hope that conversation to have lasted a bit longer, unfortunately, my cell phone was running out of juice.

????????????????????

juice man ??

????????????????????

The juice man is a real fiend on collecting the loan for his boss.

????????????????

on the juice ?????

on the juice????????

????juice?????????"?"on the juice?????"?????"

On the juice?????????"?????"????????high????!

???juice up?????"?????"????????????????????!

She won't be able to return your call. I'm afraid she's on the juice again.

????????????

big juice ???

big juice????????a big-time crook????????

The big juice is really bad. He cheated me out of all my money.

????????
