

《威廉凯特访泰姬陵 重现戴安娜王妃经典照》

Prince William's visit to the Taj Mahal was bound to be nostalgic and tinged with memories after the mausoleum provided the stunning backdrop to one of the most iconic pictures of his late mother.

??

And visiting the historic building on Saturday and posing with Kate on the same marble bench as Princess Diana appeared to have left the Duke feeling emotional.

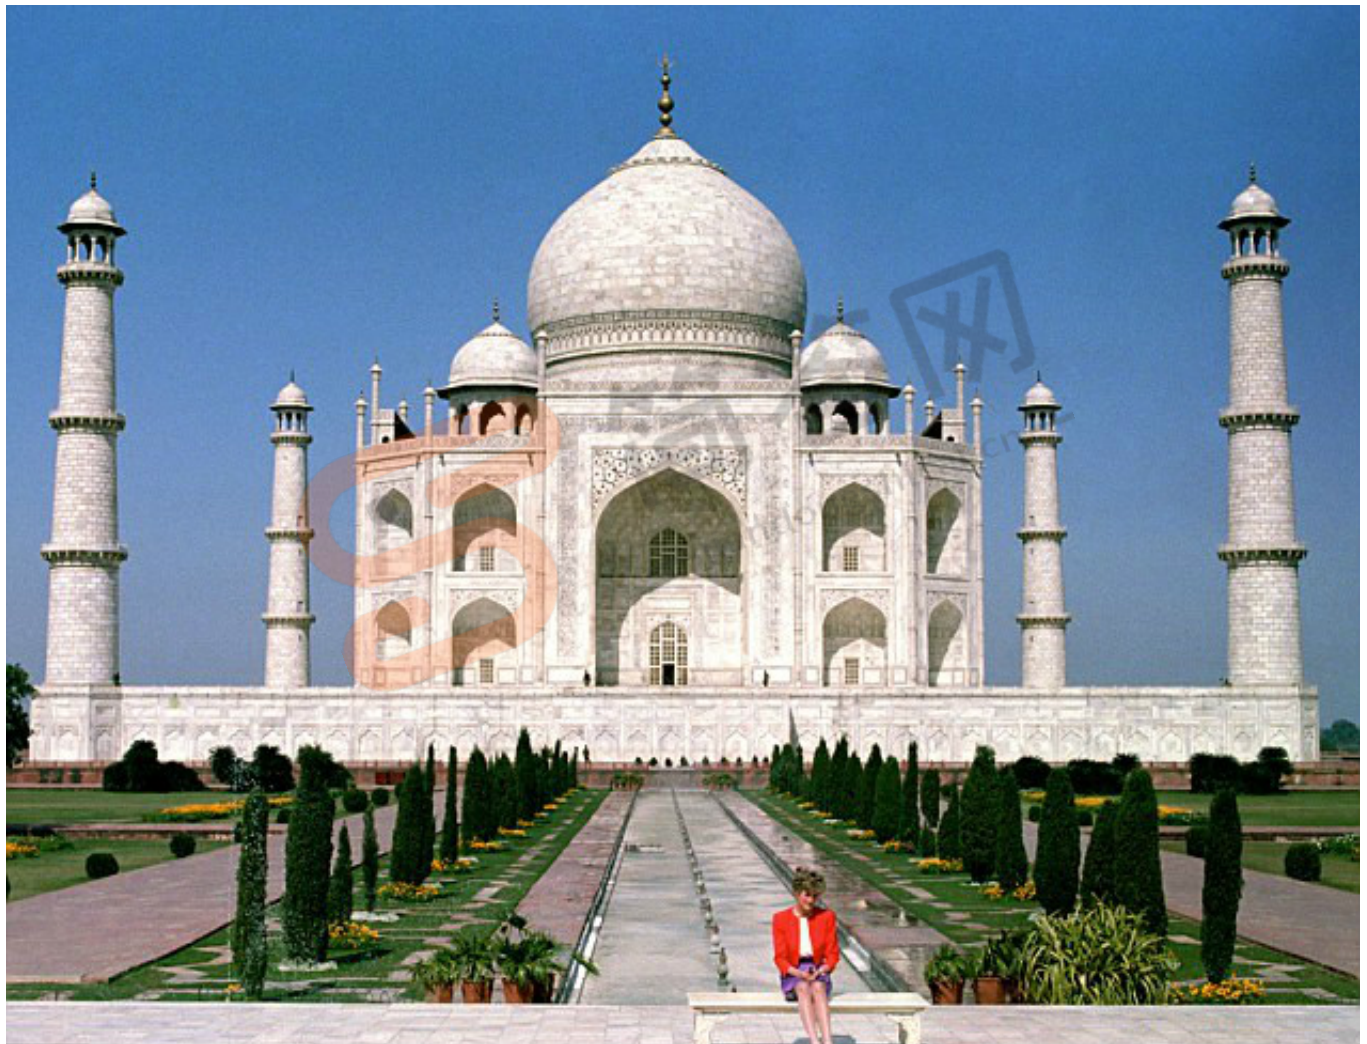

??

In the photos believed to be taken after his visit to the bench, William is seen bringing his hand up to the side of his face as he walked with his back to the cameras. He then put on his sunglasses, perhaps to hide his emotions.

??

The Duchess is also reported to have become 'emotional' during the visit after hearing stories of the landmark's past. The story behind the Taj Mahal had touched the royal.

??

The royal pair brought their tour of India to a poignant close sitting on the same marble bench as Diana had in 1992. The image of Diana looking forlorn and alone as her marriage to Prince Charles crumbled was a sign to the world that their's was a union beyond repair.
