

《CCTV9英语新闻：李克强参加福建代表团审议》

Chinese Premier Li Keqiang has joined lawmakers from Southeast China's Fujian province in a panel discussion.

Premier Li hailed the economic and social development in Fujian over the past year. He says the region boosted green development and maritime economy.

BEIJING, March 7, 2016 (Xinhua) -- Chinese Premier Li Keqiang (3rd R, back) joins a group deliberation of deputies from Fujian Province to the annual session of the National People's Congress in Beijing, capital of China, March 7, 2016. (Xinhua/Rao Aimin)

Going forward, he says Fujian should develop intelligent manufacturing and modern services industries. The Premier also says Fujian should boost trade and cultural exchanges with Taiwan, and build itself into an open economic platform.
