

《黎巴嫩总理宣布辞职 声称担忧被伊朗暗杀》

Lebanese Prime Minister Saad al-Hariri has resigned, saying in a televised broadcast from Saudi Arabia that he feared for his life, while also fiercely criticising Iran.

????????·??

He accused Iran of sowing "fear and destruction" in several countries, including Lebanon.

????????????????????“????”?

Mr Hariri's father, former Prime Minister Rafik al-Hariri, was assassinated in 2005.

????????????????·????2005????

The Hariri family is close to Saudi Arabia, Iran's regional competitor.

????????????????????

Mr Hariri has been prime minister since December 2016, after previously holding the position between 2009 and

2011.

?????2009??2011??????2016?12????????

Mr Hariri also attacked the Iran-backed Shia movement Hezbollah, which wields considerable power in Lebanon.

????????????????????????????????

Iran said the resignation would create regional tensions and rejected Mr Hariri's accusations as "unfounded".
