

《美国呼吁所有国家切断与平壤的外交和贸易关系》

美国再次要求所有国家切断与朝鲜的关系，此际，美国再度加大对朝鲜的言论攻势，威胁称如果爆发战争，朝鲜将被“彻底摧毁”。

US ambassador to the United Nations Nikki Haley has warned the North Korean leadership that it would be utterly destroyed if war broke out. Speaking on the emergency meeting of the UN security council in New York she called all countries to cut their diplomatic and trade ties with Pyongyang. The continuing development of these missile systems demands that countries further isolate the Kim regime, so today we call on all nations to cut off all ties with North Korea, in addition to fully implementing all UN sanctions all countries should sever diplomatic relations with North Korea and limit military, scientific, technical or commercial cooperation.

[illegible]

Ms Haley said President Trump has urged his Chinese counterpart xi jin ping to cut off crude oil supplies to North Korea.
