

《缘分天注定！戴妃占星师早年预测哈里王子“命中有美国”》

哈里王子和梅根·马克尔童话般浪漫的故事吸引了全世界的目光。戴妃占星师早年预测，他们的姻缘似乎是命中注定的。

Their fairytale romance has captivated the world, and it seems that the union between Prince Harry and Meghan Markle was always written in the stars.

Princess Diana's astrologer Debbie Frank has revealed how she spotted a connection to the US in Harry's future when he was just six-years-old after the late royal asked her to read her sons' astrological charts in 1990.

Debbie, who met the princess in a restaurant in 1989 and remained friends with her until her death in 1997, told Royal Central that his mother would be so happy to see Harry marrying the person he wants to, rather than the typical aristocratic royal bride.

However, the couple are already eschewing tradition in their own way by marrying on a weekend and showing affection in public - with Meghan breaking royal protocol by walking ahead of Harry during their first official engagement.

Debbie said she's sure that Diana would approve of them bucking convention, and is certain Diana and Meghan would have got on very well, as their warm characters are very similar.

??

She would've filled the gap in England that Meghan's mum, who is thousands of miles away, could not,' she explained.
