

《拉脱维亚央行行长被捕 总理大力安抚欧洲》

上周以来已经因为新任副行长人选而闹得沸沸扬扬的欧洲央行人事安排，在周末期间再起节外生枝的波澜：身为欧洲央行管委会资深成员的拉脱维亚央行行长里姆塞维克斯因为涉嫌贪腐遭到其本国反贪部门的逮捕和羁押，并旋即面临被迫辞职的压力。

Latvian Prime Minister Maris Kucinskis assured the country and Europe "there is no sign of danger," after anti-corruption police arrested the head of the Latvian central bank Saturday.

??

Neither Kucinskis nor the police gave any reason why central bank governor Ilmars Rimsevics was arrested. But a police spokeswoman said there will be an announcement "as soon as possible."

??

The Latvian government plans an emergency meeting Monday.

????????????????????

Along with heading the Baltic nation's central bank, Rimsevics is also one of 19 governors on the European Central Bank.
