

《突发！刚刚，法国前总统萨科齐被抓！》

????????????????????????????????????????????????????????????

PARIS (Reuters) - Former French President Nicolas Sarkozy was in police custody on Tuesday morning, where he was to be questioned as part of an investigation into suspected irregularities over his election campaign financing, an official in the French judiciary said.

?????? ?????????????????????????????????????????????????????????

The probe related to alleged Libyan funding for Sarkozy's 2007 campaign, Le Monde newspaper reported.

????????????????????????????????????????????????????????????

Mr Sarkozy failed in a bid to return to power in 2012.

2012????????????????????????

Judicial sources said he was to be questioned in Nanterre, a suburb in western Paris.

????????????????????

In 2013 France opened an investigation into allegations that his campaign had benefited from illicit funds from Gaddafi. Mr Sarkozy has denied wrongdoing.

2013????????????????——????????????????????

A lawyer for Sarkozy could not be reached immediately for comment.
