

《劳尔.卡斯特罗退位 古巴新领袖亮相》

今天，古巴议会挑选劳尔.卡斯特的得力助手米盖尔.迪亚斯.卡内尔作为劳尔.卡斯特的继位人。

Cuba's parliament has picked Raúl Castro's right-hand man, Miguel Díaz-Canel, as the sole candidate to succeed him, ending the family's long rule.

?????????.?????????????.??? ??????.????????????????????????????

Mr Castro took over as president from his ailing brother Fidel in 2006.

2006?????.?????????????????.????????????????

An improvement in relations with the US which began under Barack Obama has been partially reversed since Donald Trump entered the White House.

???.?????????????????????????????.????????????????????

Mr Castro is expected to remain a powerful influence in the communist state even after he steps down.

???????.????????????????????????????

The National Assembly has voted on the nomination but the result will not be announced until Thursday, when he is expected to formally pass the presidency to Mr Díaz-Canel.

??

However, he will stay on as head of the Communist Party until its next congress in 2021.

??2021??????

The next Cuban leader will inherit a country in economic stagnation and with a young population impatient for change, BBC Cuba correspondent Will Grant reports.
