

《中国抨击美国领导人关于中导问题的言论》

中国外交部周二猛烈抨击美国总统在他最近关于退出《中程核力量条约》的言论中提到中国。

Chinese Foreign Ministry on Tuesday slammed US president's mentioning of China in his latest remarks concerning his decision to withdraw from the Intermediate-Range Nuclear Forces (INF) Treaty.

??

The INF is a treaty between the US and Russia, and it is unreasonable for the US to point to other countries when it threatened to leave the treaty unilaterally, said spokesperson Hua Chunying at a regular briefing.

??

China firmly safeguards its legitimate interests and refuses blackmail in any form, said Hua, adding that she hopes the US can "look before leaping".

??"????"?

The INF was signed by then US president Ronald Reagan and former Soviet Union leader Mikhail Gorbachev in

1987, in a bid to halt the proliferation of nuclear and conventional missiles.

1987????????????????????????????????????INF????????????????????

The pact worked toward the elimination of short- and intermediate-range nuclear and conventional missiles by both countries.
