

《贝嫂和reebook联名推出服装系列！运动又时尚》

Victoria Beckham has launched her first activewear collection with Reebok, having announced her collaboration with the sports brand in April 2018.

2018年4月，维多利亚·贝克汉姆宣布与锐步（Reebok）合作推出她的首个运动休闲服装系列。

The Spring 2019 line features premium sportswear products ranging in price from £29 to £500, the designs of which have all been inspired by Beckham's experiences of living in London and Los Angeles.

2019年春季系列包含一系列高端运动休闲产品，价格从29英镑到500英镑不等，设计灵感均来自于贝克汉姆在伦敦和洛杉矶的生活经历。

The aim of the collection is to allow consumers to transition effortlessly from the street to the gym, without feeling the need to sacrifice fashion in favour of high-quality activewear, according to the press release.

该系列旨在让消费者能够无缝地从街头过渡到健身房，无需为了高品质的运动休闲服装而牺牲时尚感，据发布会称。

While the collection includes separate clothing for men and women, it also offers a variety of unisex clothing.

该系列包括男女分开穿着的服装，同时也提供多种男女通用的服装。

This was “key” for Beckham when establishing the range's aesthetic, she says. “Each piece is designed to flex,

adapt and transition for the optimum workout, but it was also important that I created something that is fashion-forward and can blend seamlessly into any wardrobe," the former Spice Girls members adds.

????????????????????"??"?"??"????????????

"These pieces can take you from the gym to the office, with the school run in between. "

"????????????????????????????????"

Beckham expressed her excitement over the range's launch on Instagram by posting a couple photos of herself posing in front of a mirror wearing trainers, leggings, a crop top and cap from the line.
