

《澳洲夫妇晒五胞胎温馨襁褓照 每天“痛并快乐着”》

导读:澳大利亚一对自豪的父母生下五胞胎后，第一次向公众分享了一组暖心的照片。

Kim and Vaughn Tucci from Perth, Western Australia, welcomed five healthy babies in January – a son, Keith, and four daughters – Ali, Penelope, Tiffany and Beatrix.

Ms Tucci, who also has a nine-year-old son from a previous marriage and two young daughters with her husband, has shared the at times overwhelming task of caring for her precious bundles.

????????????????????9??

But one look at the babies' adorable faces is enough to know the sleepless nights are worth it.

??

The photos show a glowing 26-year-old Ms Tucci cradling her five babies, their tiny bodies swaddled in soft pastel wraps.

????????????26??

While the couple has shared photos of their children before, this is the first time the babies have featured in a professional shoot.

??

The adorable pictures capture the sleeping quintuplets in what must be a rare moment of peace.

????????????????????????????????

The couple get daily help from family and volunteers to care for the quintuplets and use feeding changing and sleeping charts to monitor each infant.
