"The figures show we are experiencing a serious increase in infections, an increase in people hospitalised in intensive care – and an increase, unfortunately, in deaths. We need to change our lifestyle. We need to change it now. That's why I have decided to adopt these hard measures," said Conte.

??

"The whole of Italy will become a protected zone," he added.

"????????????????"

"We all must give something up for the good of Italy. We have to do it now.
