

《中国富二代海外炫富》

导读:中国亿万富翁之女海外炫富，有人说这是一种个人生活方式，也有人认为这有悖中华民族勤俭节约的传统美德。你怎么看？

They drive super cars, think nothing of spending hundreds of thousands in a single night and their displays of wealth are so outrageous that China's president has even taken steps to rein them in.

??

President Xi Jinping has attempted to crack down on ostentatious bragging by young 'fuerdai', which translates as 'rich second generation', with measures such as introducing a ban on wealthy kids appearing on reality TV shows earlier this month.

But, his efforts may be going to waste if the continued flaunting of wealth on social media is anything to go by.

????????????????????????????????

Moneyed young women are still showing off their fast cars, designer clothes and trips on private jets on Instagram.

???????Instagram????????????????

Sian_vivi_x, 21, is just one youngster who continues to document her enviable lifestyle for her 70,500 Instagram followers.
