????????????????????????????????????????Pankaj???

On several occasions, Modi has mentioned how his mother has brought him up even as she struggled to make ends meet.

????????????????????????????????????

During his interaction at the Facebook headquarters in the US, Modi almost broke down while talking about her and how she worked as a domestic help to run the family.

????????????????????????????????????

Before coming to Delhi to take over the reigns as the PM, Modi visited his mother to seek blessings after the general elections in 2014.
