

《中国第一所与一带一路计划有联系的学校-丝路学院-在中国人民大学苏州校区揭牌》

中国第一所与一带一路计划有联系的学校-丝路学校-在中国人民大学苏州校区揭牌。

China's first school linked to the Belt and Road Initiative, named Silk Road School, has opened its doors at the Suzhou Campus of Renmin University of China

????????????????-????-????????????????

The school is the first educational institution built under the Belt and Road Initiative. And it has grand goals. Hu Zhengyue, vice president of China Public Diplomacy Association, says the Silk Road School will be home to global talents, to deepen friendships and connections.

??

"Everything new needs time to grow. And this is the case with the Silk Road School. The key, during the process, is to cultivate talent and connections. Because you want them to be a part of it, to know about the Belt and Road, to know about China, and to know about relations and cooperation between China and other countries," says Hu.
