

《举国震惊：全国158家公司因严重污染违规被惩治》

最近的环保部门调查发现，中国158家相关企业污染标准严重不达标，将受到严重惩罚。

Chinese ecology and environment authorities announced punishments on Monday against 158 companies across the country that seriously exceeded pollution standards in the first quarter of this year.

????????????????158????????????????????

Of the listed companies, half were sewage treatment plants. The others include 26 heat-supply companies, 7 non-ferrous metal metallurgy companies, and 14 coal and chemical companies, the Xinhua News Agency reported on Tuesday, citing the Ministry of Ecology and Environment (MEE).

Authorities also announced four cases of false rectification.

????????????????

Two of the cases were in Huludao, Northeast China's Liaoning Province, and the others were in Suzhou, East China's Anhui Province, and Qiandongnan autonomous prefecture, Southwest China's Guizhou Province.

??

The MEE reiterated the importance of ecological and environmental protection and its firm attitude that the ministry will seriously punish companies and individuals involved in fake reform.
