

《暖心小男孩！人犬相拥，温情满满》

导读:近日，在路易斯安那州的一座小镇上一人一犬上演了温情一幕：一名9岁的小男孩因心系自家去世的宠物狗，偷偷溜进邻居家的车库拥抱对方养的宠物狗。视频在Facebook上的点击量达到了200万，令无数网友欢笑动容。

This might just be the cutest garage bandit you've ever seen.

????????????????“??”?

Little Josh Breau of Pierre Part, Louisiana, was caught on his neighbor's surveillance video quickly sneaking into their garage to give their pet dog a loving hug.

"We had our dog Bella since Josh was 2, but she passed away last year," his mother explained in another post. "Things have been busy and Josh is active with after school activities so we have not jumped back into taking on the responsibility of starting all over again with a new pup quite yet. It will happen though!"

"?????????????????????????????"

Mallet is thrilled her beloved black Labrador, Dutchess, has been able to fill that void for 9-year-old Josh.

?????????????????g??????????

“My dog is super friendly and loves to play,” Mallet said. “With my husband and I at work all day, it’s great for him to come and find her to play. Every day since, he’s been coming back and he’s been playing with her and it’s so fun to check the video at the end of the day to watch them.”

"?????????????"??? "??"

When Mallet was home early from work last week, she finally had the opportunity to meet the little boy who had brought so many smiles to her and her husband, and now the entire internet.

??

"He's the sweetest little boy," she said. "It's a win-win. They both get a friend."

“?????????”????“?????????????????????”

Mallet and Breaux have just **one word** to describe this entire touching situation: Amazing.

????????????????????

“That’s the same word that’s been coming up,” Mallet said. “When we saw the views, and now that it’s almost 2 million, it’s surreal. It’s a positive story and I’m so glad I was able to capture it on camera. It is just pure innocence and we’re so glad to have made a friend.”

"?????????????"??? "??????????200??"

A proud Breaux added of her son: "I'm so glad that it's brought smiles to so many, and it truly captures just the kind of kid that he is."
