"We hope the people in the area find the tool a helpful way to let their friends and family know they are okay," Facebook said in a statement.

????????“????????????????????????????”?

Safety Check received a lot of attention when it was turned on after a series of terrorist attacks in Paris, France last November.

Facebook and Twitter were also used by people at the scene of the attack at Pulse, a popular gay nightclub in Orlando.

????????????????Pulse????????????????

Clubgoers traded messages as they searched for loved ones in the chaotic aftermath of the shootings.

????????????????????

Brandon Wolf, one local resident, tweeted right after the initial shooting, "Shooting at pulse. We hid in the bathroom. And we can't find our friends."

Four hours later, he said, "I still can't believe I got out. And we have not located Drew."

?????????"????????????????????Drew."

By the mid afternoon, he had still not accounted for his friend, according to his tweets.
