

《银川号导弹驱逐舰授旗仪式在海南举行》

中国舰队已正式新增了一艘导弹驱逐舰。今日早上，银川号导弹驱逐舰授旗仪式在海南举行。

China has officially added a new guided missile destroyer to its fleet. The flag-giving ceremony for the Yinchuan destroyer took place in Hainan province earlier today.

China has officially added a new guided missile destroyer to its fleet. The flag-giving ceremony for the Yinchuan destroyer took place in Hainan province earlier today.

The Yinchuan is China's fourth guided-missile destroyer. Fitted with the latest in military hardware, outstanding stealth performance, and state-of-the-art striking capabilities, it is capable of sinking any enemy naval ship or submarine.

An independently developed Chinese frigate has also docked in Shanghai. The 120-meter long warship is equipped with the latest military weaponry and can be used both for attack and defense.
