

《大学生被捅死，只因在宿舍唱歌》

导读:昆明大学两名学生因在宿舍唱歌问题发生口角，继而引发了打斗，后来一名学生不幸被捅死。

A student at a university in China has died in a horrific stabbing by his dorm roommate.

????????????????????

Kunming University in south-west China's Yunnan province has confirmed that one of their students died on June 13, reports the People's Daily Online.

????????????????????6?13???

Police announced that the fight broke out after the victim had started singing and hit the suspect with a chair.

????????????????????

The victim has been named locally as Peng Moumou, an 18-year-old freshman student at the university.

???????18??????????

He reportedly shared a room with the suspect and students claim that the pair did not get on.

????????????????????????????????

China News spoke to Kunming police who said that Peng started singing which caused the pair to start arguing.

????????????????????????????????

The situation soon escalated as Peng grabbed a chair and hit the suspect with it. The suspect then pulled out a knife and repeatedly stabbed Peng.

??

The victim was taken to hospital where he later died from his injuries.

????????????????????????

The suspect is currently under criminal detention.

????????????????

Whats on Weibo reported that the dorms at the university are usually shared between four or eight people.

In recent years there have been a spate of attacks in university dorm rooms.

????????????????????

In March this year, a student from Sichuan University was killed and beheaded in his dormitory by his roommate.

????????????????????????

And in 2013, a student was stabbed to death by his dorm roommate at Nanjing Aeronautics and Astronautics University after an argument.

2013????????????????????

Many people on China's social media site Weibo have been commenting on the case and have been sharing their own opinions on violence in dorm rooms.

????????????????????????????????

One user wrote: 'Thankfully my roommate does not have the grace to kill.'
