

## 《爸爸带娃不靠谱？逗比奶爸带娃爆笑瞬间(组图)》

Parenting can be tricky at the best of times - but a series of hilarious photographs show fathers making it look incredibly easy.

即使最顺利的时候，带娃也可能很费事儿。但看看下面这组爆笑照片，爸爸们有时候会把带娃这件事变得相当简单。

The snaps shared online show how inventive dads are keeping their children entertained, while amusing themselves at the same time.

??

Another plays video games while his daughter paints his toenails in fetching shades of purple and pink

????????????????????????????????????

One dad showed off his leg hair that had been tied up in neat buns, presumably by his daughter

????????????????????????????????????

One dad took his son to a DIY store, keeping him distracted by creating a den using a shopping trolley.

????????????DIY????????????????????????????

One dad is pictured doing a pull up with his baby on his back and two youngsters grabbing onto his legs in a rather precarious-looking manoeuvre

??

Another discovered he could take a nap while his kids played with toy cars on a track printed onto his T-shirt

??

Another encouraged his daughter to eat her dinner by sitting down with her at her bright pink - but rather small - table.

??

One dad made his kids believe they were playing video games with him - but he unplugged their controllers

????????????????????????????????????

Another dad showed off the toys his kids used to accessorise his hair, which included a mini helicopter

????????????????????????????????????

Another picture shows a dad and his daughter sporting matching hair bows

????????????????????

One dad displayed his rather unorthodox parenting skills by carrying his son through an airport by his belt

????????????????????????????????
