

《湖南女教师霸气求婚学生，无惧围观穿婚纱当场热吻》

导读:最近，湖南文理学院的学生们可谓是一箭双雕，亲眼目睹了学院女老师向一男生高调大胆求婚的盛况。

Have you ever seen a woman propose to a man? How about a professor propose to a student?

????????????????????????????????

Well, students at the Hunan University of Arts and Science killed those two birds with one stone recently, snapping pictures as a female professor in a wedding dress boldly proposed to a student who was dressed more casually.

??

According to Sina, students at the university confirmed that the two have known each other for quite a while and that it took a long time for the professor to execute her proposal. Looks like it was a pretty big deal on campus.

Pictures of the proposal have gone viral on the Chinese internet, with most netizens expressing their envy:

??

"Where can I find such a good teacher?" wondered one.

"The movie has become reality, brother I envy you a bit," wrote another.

???????“????????????????????????????????”

It seems like that she made out better than one woman who whipped out a ring and knelt in front of her boyfriend at a movie theater in Xiamen a couple of years ago. And while it wasn't quite as creative as proposing in a panda suit, you got to give this professor credit for being brave enough to show her love -- even if she didn't want to show her face.
