

《令人心碎照片：女婴在离世父亲手套中露甜笑》

This is the heartbreaking image of a newborn baby cradled by the motorcycle gear of her father, who was killed just weeks before she was born.

?????????????—??

Hector Daniel Ferrer Alvarez, 25, was shot and killed in Florida in April and never got to meet his baby daughter Aubrey.

?????Hector Daniel Ferrer Alvarez 25????4????????????????????????Aubrey?

The adorable tot smiles in this poignant photograph, blissfully unaware that she will never know her father.

?????Aubrey?????????????????????—????????????????????????

Hector was a big lover of riding on his motorbike with his partner Kathryn Williams, and the image shows Aubrey resting on her dad's gloves while his helmet sits in the background.

????????Kathryn Williams????????Aubrey????????

A gofundme page featuring the image has now been set up for Aubrey.

????“Gofundme”????Aubrey.????

It reads: “A young man of 25 named Hector thoroughly loved his life.

?????“25?????”

“He was eagerly and proudly looking forward to the changes in his near future when he became both husband and father.

“?????”

“He shared his love of bikes with his fiancé and they planned family rides and outings after Aubrey would be old enough to do such.”

“????Kathryn?????”

“He always wore protective gear when riding his bikes for he was insistent on safety and setting the proper example.

“?????”

“There was no way he was willing to risk taking careless chances with his new baby girl on the way and his Queen by his side.

“?????”

“Tragically, he and his new family were denied this future when someone he considered a friend took Hector's life from them a mere month before Aubrey was born.”

“????Aubrey?????”

Donations towards supporting Aubrey and her mother have reached \$795 in a day.

????Aubrey????795???

Alvarez was allegedly shot by his friend Roosevelt Jeon Francois during an argument.
