导读:云南一名大学生上课偷拍女生裙底被抓现行，微博用户对其给与了强烈谴责。

A university student in China has been caught taking photographs up his female classmate's skirt while attending a lecture.

????????????????????

Images have been released on Chinese social media showing the man holding his phone around his back, which was aimed at another female student, reports the People's Daily Online.

??

The male student allegedly shared the pictures with a classmate after they were snapped.

????????????????????????

A total of six photos were circulated on Chinese social media site Weibo with posts claiming that the man is studying in a university in Kunming, southern China's Yunnan Province.

There is an increasing problem with people trying to take up-skirt photographs in China.

????????????????????????

In April, a woman made a man eat his phone's memory card after she caught him taking photographs up her skirt.

??

The woman filmed the incident and uploaded the footage to Weibo.

????????????????????

In the video, the woman can be heard saying: 'Delete the pictures, delete them. Look everybody, here is a pervert who takes up-skirt pictures of women.'
