

《一脸懵逼：英国小镇遭遇中国游客狂拍照》

导读:欧洲小镇历来都是国人向往的世外桃源，一起来看下当地居民遭遇疯狂游客时的画面

Groups of sightseers in Kidlington have been seen posing for photos in front gardens and against parked cars.

????Kidlington??

Locals have no idea why the quiet suburb, about five miles north of Oxford, has become a tourist magnet.

????????????????5????????????????????????????????

Inspector Morse, Love Island and Harry Potter are among the causes suggested for the tourists' interest.

????????????·????????????????????????????????

The tourists are a short walk from thatched cottages and an old church, but prefer taking photos of themselves outside modern houses.
