

《卡梅伦提前被赶出唐宁街：辞职后的卡梅伦将何去何从？》

导读:脱欧公投不仅影响了千万英国百姓，现任首相卡梅隆更是引咎辞职。那么辞职后的卡梅隆将住在哪里？他和妻子今后又将从事什么工作？

If events had panned out the way David Cameron had predicted, this was the week he should have been unveiling his new Cabinet.

?????????·??????????????????

Until the shock Brexit vote, the Prime Minister assumed he had another three years left in power and had already decided who he was going to promote; and who to fire.

????????????????????????????????

By late tomorrow, he and his family will be out of Downing Street – and in urgent need of a roof over their heads.

????????????????????????????????

Discovering on the morning after the referendum that they had just weeks left in their accommodation above No 11 Downing Street was already a shock.

????????????????????11??????????????

Now the Camerons have been turfed out two months early, they barely have time to gather their belongings, and nowhere permanent to go immediately in London.

????????????????????????????????????

For their three children Nancy, 12, Elwen, ten, and Florence, five, it must be an extraordinarily traumatic and bewildering time.

???12???????10????????5????????????????

Amid the excitement of the end of a school term, the children face a summer of domestic upheaval that is likely to see them spending the summer in temporary accommodation in the capital. Leaving their Downing Street flat will be a wrench.

????????????????????????????????????

Though Samantha hated the fusty four-bedroom flat when they arrived in 2010, the couple spent tens of thousands in their own cash redecorating it, installing a top-of-the-range kitchen and open-plan sitting room. They have never loved it, but it has come to feel like home.

2010????????????????????????????????

Florence was born just months after they moved in, making it the only house in London she has known.

????????????????????????????????

Mr Cameron's instinct will be to retreat to his peaceful constituency home in west Oxfordshire, a place the whole family loves.

????????????????????????????

A few miles from Chipping Norton, the secluded Cotswold cottage offers far more privacy than anywhere in London, allowing them to live an almost normal life. Security is low key; they have many friends in the area and find it easy to relax.
