

《里约奥运会不足一月 巴西重申奥运安保系统》

导读:里约奥运会堪称史上命运最摇摆的奥运会，总统面临弹劾，经济衰退，塞卡病毒肆虐，除了这些内困，国际世界也是不太平，前脚刚发生尼斯恐怖袭击后脚土耳其又发生军事政变，怎一个乱字了得。

The review follows the attack in the French city of Nice on 14 July which left at least 84 people dead.

The government said that the measures may make attending the games less comfortable for visitors but they would result in greater security.

????????????????????????????????????

he Games are expected to attract as many as 500,000 foreign visitors.

????????????50????????

The attack in Nice is worrisome for us too. We will review procedures, make more barriers, more spot-checks on visitors and roadblocks, said Defence Minister Raul Jungmann.

The authorities had previously declared public holidays and banned trucks from certain areas of Rio during the Olympics to ease congestion and improve emergency response capabilities.

??

Rio's mayor, Eduardo Paes, said security would be beefed up for Olympic delegations from countries which have been targeted.

??

Mr Paes did not give any further details, but the head of French military intelligence said France had been informed of a planned terror attack on its team at the Rio Games.

??

Gen Christophe Gomar told a parliamentary commission in May that a "partner agency" warned of the plot by a Brazilian Islamist militant.

The transcript of the hearing was made public this week.

??????????????????

Brazil is confident about its preparations. We are employing the most modern security and defence techniques, Sports Minister Leonardo Picciani told Reuters news agency.

?????????????????????"????????????????????????????????"

Earlier this week, Mr Picciani said the armed forces would get an extra \$24m (18m pound) to help them meet security needs.
