

《中国学生怎样庆祝教师节》

让我们看看中国学生是怎样庆祝教师节的。福建省逸夫小学的学生们给老师们做了自制的小礼物和千纸鹤。同时重庆的学生们给他们的老师带来了惊喜！每个进入校园的老师收到了一束鲜花和拥抱。

Let's see how Chinese students are marking Teachers Day. In the eastern province of Fujian, students of Yifu Elementary School created do-it-yourself gifts and paper cranes for their teachers. Students in the southeastern province of Chongqing, meanwhile, surprised their teachers! Every one of them entering the campus has received a flower and hugs from students.

Teachers in neighboring Guizhou province are given discount when they go scenic spots there today. Some regions even opened tourist destinations to teachers for free.
