

《习近平主席与川普电话通话》

Chinese President Xi Jinping has spoken with US President-elect Donald Trump on the telephone today. President Xi congratulated Trump on his election victory.

Xi said tangible benefits have been brought to the people of the two nations in over 37 years of diplomatic relations. He said cooperation has proven to be the only right choice. Xi reaffirmed that China attaches great importance to relations with the US, and is willing to cooperate with the US.

Trump said he agreed about US-China relations. He hopes for mutual benefits and win-win results. Trump also expressed willingness to strengthen ties.

The two agreed to maintain close contact and build a good working relationship.
