《川普再放狂言：是奥巴马和希拉里创建了ISIS》

Donald Trump claimed Wednesday night during a south Florida campaign rally that President Barack Obama were the 'founder' of the ISIS terror army, deserving the blame for its creation.

??????????????????????·?????????·????????????“???”???????????

His stunning claim refers to the president's decision to withdraw all U.S. troops from Iraq, blaming the president for creating the power vacuum that terrorists rushed in to fill.

??

Trump also blamed Clinton for co-founding ISIS saying: 'the co-founder would be crooked Hillary Clinton. Co-founder!'

???????co-????“????????”????This tragedy did not created itself. You co-created it.
??

Trump brandishes a number of signs during his speech including this one above showing the number of Syrian refugees admitted to the US.

??????????????????????????????????????

Trump's figurative case that Obama 'founded' ISIS rests on his contention that the president disrupted a delicate balance of power between Iran and Iraq, two countries afflicted by more than eight decades of border disputes.

Trump also said Hillary Clinton's mistakes managing Islamist threats in Libya were a contributing factor, calling her the 'co-founder' of ISIS.

'And then Obama came in,' he continued. 'And normally you want to clean up. He made a bigger mess out of it. He made such a mess. And then you had Hillary with Libya. So sad.'
