

《欧洲奥委会主席在里约当“黄牛”被撤职》

导读:日前国际奥委会高级官员帕崔克·希基盖因在里约售卖“黄牛票”而被捕，目前他已经被暂时撤除了国际奥委会的职务。

The Irishman, 71, was taken to hospital following his arrest, after requesting medical attention.

????????????71????????????????????????????????????

Brazilian police claim he was involved in a scheme to resell Olympic tickets at higher than their face value.

??

They said the scheme could have had profits of 10m reais (2.4m pound; \$3.1m).

????????????????????????????1000????????240????310??????

Mr Hickey will be replaced as president of the European Olympic Committees - the body which brings together the 50 national committees across the continent - by his deputy Janez Kocijancic.

Irish broadcaster RTE reports that Mr Hickey faces three potential charges: facilitating ticket touting, forming a cartel, and "ambush" or illicit marketing.

??????RTE??"??"??????
