

《普京专车出车祸司机当场死亡》

Russian media has revealed that a head-on crash in which a man was killed involved Vladimir Putin's official black BMW.

????????????????????????????????

CCTV images of the footage taken on Kutuzovsky Avenue in the Russian capital Moscow show how the Mercedes collided head-on with the presidential BMW.

CCTV??

Russian media said that the car was being driven by Putin's favourite official driver, and that he was killed instantly, but that the President was not in the vehicle at the time.

??

The driver who was killed was **not** named, although it was reported that he had notched up more than 40 years of driving experience as an official driver.

????????????????????????????????40??

Police have only confirmed that they are investigating, without giving any further details.
