

《Glastonbury Festival 2017 in pictures》

Photo shows festival-goers putting up tents on the grass. (Photo: Cankao.com) Glastonbury, the world's largest music festival known for megastars and mud, opened its gates at Worthy Farm in Pilton, Somerset on Wednesday. Tens of thousands of people descended on the Worthy Farm site in Somerset for the five-day festival. Glastonbury, the world's largest open-air music and performing arts festival, is best known for its contemporary music.

Photo shows an audience going wild. (Photo: Cankao.com) Glastonbury, the world's largest music festival known for megastars and mud, opened its gates at Worthy Farm in Pilton, Somerset on Wednesday. Tens of thousands of people descend on the Worthy Farm site in Somerset for the five-day festival. The largest open-air music and performing arts festival, the Glastonbury Festival, is best known for its contemporary music.
