

《5岁绝症女孩与青梅竹马“结婚”后离世》

导读:愿天堂没有病痛。

Love knows no age.

?????????

Mary Massey was a 5-year-old patient at Cook Children's Hospital and suffered from cystic fibrosis and chronic pneumonia all her life.

Mary Massey?Cook?????5????????????????????????????????

Doctors told Massey and her family that she was not expected to live much longer due to her worsening condition.

????Massey????????????????????????????????

Massey had a 6-year-old friend Damien. The two had been friends all their lives.

Kayla Parker, Massey's mother says the couple had been planning their wedding since they were two years old - it had always been their dream to marry on another.

Damien even proposed to Massey to show just how serious he was.

DamienMassey

Parker and Damien's mother decided to fulfill Massey's wish of marrying her best friend after doctors said she wasn't expected to live much longer.

On Thursday evening, the little ones' dream came true.

Massey wore a dress and crown and Damien was dressed in a suit. The "ceremony" was complete with rings, a cake with their favorite Disney characters and sealed with a hug.
