

《萌翻天！成都熊猫宝宝们集体上演“熊猫瘫”》

导读:9月29日，成都的熊猫宝宝们集体上演“熊猫瘫”，简直萌得不行。

A panda cub stole the show at a presentation after it tumbled from the stage it was on at the Chengdu Research base of Giant Panda Breeding.

??

The animals were on display on September 29 as part of a celebration “showing off “ the panda cubs born so far this year.

?????9?29?????????“?”????????????????

A total of 27 cubs have been born at the base with 23 still residing at the centre in south-west China's Sichuan province.

??27????????????????23????????????????

In the footage shows the cuddly panda bears lying on a green stage at the panda base in Chengdu.

????????????????????????????????

The cubs seem to be behaving themselves lying on the stage.

????????????????????

However one panda on the left hand side seems to have other ideas, making a giant leap for the grass below the stage.

????????????????????????????????

The panda appears to land on its head with its legs up in the air.

????????????????

A keeper can be seen running after the cub to try and catch it.

????????????????????

Another keeper then tries to space out the animals before another cub tries to make an escape.

????????????????????

However it's too slow with a keeper coming to push it back onto the stage instantly.
