

《中国城市颁布房屋限购令，遏制物价飞涨》

导读:中国多地城市的房价急剧飙升，促使政府重启购房限制。

The dramatic increase in home prices in China's first- and second-tier cities has prompted a number of authorities to reactivate home purchase restrictions.

????????????????????????????????

On Sept. 28, Kunshan, a city under the administration of Suzhou, issued a directive for the real estate market requiring that home buyers without Suzhou residence permits provide proof of payment of individual income tax and social securities when buying a second home.

9?28??

Nanjing's restrictions forbid families without Nanjing residence permits to buy new or secondhand homes in the downtown area. Households that do have Nanjing residence permits but already own two homes are also forbidden from buying new homes.

??

Previously, Suzhou and Xiamen also released home purchase restrictions. So far, three of the four cities that
