

《Celebrate International Cat Day》

International Cat Day on August 8 is a day that humans across the globe celebrate our fine feline friends. Of course, any cat parent would quickly tell you that in a feline's mind, every day is Cat Day. Here are 13 great cat pictures.

Japanese company Ferray in Tokyo hopes to help their employees unwind and increase productivity by adopting rescue cats into their office. The company has taken in nine rescue cats that have total run of the office. The kitties have become the employees' perfect stress relievers.
