

《孟加拉学生前往中国大学求学》

导读:作为中孟合作的一部分,教育合作也显得尤为重要。目前,中国为孟加拉学生提供国内求学机会,26名孟大学生在上海交通大学深造!

Education cooperation is a key part of the China-Bangladesh relationship. An increasing number of students from Bangladesh are choosing to study in China.

??????-????????????????????????????????????

Sharmin Reza Chowdhury is from the Bangladeshi capital Dhaka. She arrived in Shanghai this September to start pursuing her PhD at Shanghai Jiaotong University's School of Pharmacy.

"China is very strong in traditional Chinese medicine. My interest is in natural products, and to find some active ingredients that can be used in medicine,"she said. "In my country, synthetic drugs are very expensive. If we can make drugs from natural products, the prices will be much lower."

"??"??? "??"

Many Bangladeshi students like Sharmin are studying at Shanghai Jiaotong University, in disciplines including life
