

《少儿版《白娘子》走红 小戏骨神演技获赞》

近日，一部少儿版的《白娘子》在网上走红，网友在勾起回忆的同时，也为剧中小演员的神演技点赞。这部剧出自儿童真人秀《小戏骨》，节目中的演员都是一群七八岁的小孩。此前，这档节目已经翻拍了《焦裕禄》、《刘三姐》、《洪湖赤卫队》等作品。

Reshooting TV series has been a common topic in China in recent years. Overshadowed by the glamour of original

TV productions, new versions of classic works, more often than not, have had audiences complaining about nonsensical plot points, poor acting skills and ubiquitous embedded marketing.

??

A case in point is the never-ending reshooting of Lady White Snake, also known as the Legend of the White Snake, which mainly tells the love story between the White-Snake-turned Bai Suzhen, and Xu Xian.

??

During the past two decades, new versions have constantly emerged. With the help of state-of-the-art technology and good-looking performers, the updated Lady White Snake has indeed offered a visual feast to audiences. But when it comes to love from the public, no version can hold a candle to the original.

The legend was first adapted into a TV series in 1992 and performed by Hong Kong actresses Angie Chiu and Cecilia Yip. The Taiwan-produced TV shows achieved huge success, leading to the constant reruns by domestic TV stations every year until now.

1992??

But this time, a group of young post-00s artists seem to receive more praises than doubts and criticism.

?????????00????????????????????????????

"They are just incredible. When I see the little Xu Xian crying for the loss of Bai Suzhen, my heart broke," said Weibo user Xraindays.

Promoting Traditional Culture

???????

According to Pan Liping, general director of Xiao Xigu, all the performers are selected within an age range between

Given the tremendous popularity of Lady White Snake, this group of little artists has led their lives in the spotlight.

????????????????????????????????

Ten-year-old Tao Yixi, the female lead in Lady White Snake, now boasts more than 50,000 followers in Sina Weibo. Each time she releases a message on her personal account, she receives many comments and likes.

Many parents express their concern for these children as they are too involved in entertainment and think early fame may exert some negative influences on their growth.

??

"It really surprises me that the average age of these children is 7. Indeed, they have done a good job in the performance. But I wonder if they can really understand the complex emotions between a snake and a person," commenter Chen Qiulin wrote in a passage online.
