

《嘿！贾斯汀·比伯，不要再表现得像个被宠坏的孩子一样好吗？多唱》

导读:加拿大当红歌手贾斯汀·比伯是你的偶像吗？据英国媒体报道，近日比伯在曼彻斯特开演唱会时因大谈人生而遭粉丝抵制，最后愤怒离场……

I like Justin Bieber.

???????.???

He's a talented young man who's reinvented himself incredibly successfully in the shallow world of pop music that usually swallows up and destroys most of its teen idols.

??

We've met once, at the Vanity Fair post-Oscars party in 2011.

????2011????????????????????

When I was introduced to him, he promptly stood up, shook my hand and said: 'Nice to meet you, Sir.'

Not, you might think, an unreasonable sentiment given they had forked out \$60-\$85 for basic tickets, with VIP packages going for \$160.

????????????????????????????????60~85???VIP???160???

Oh, and then there was the merchandise on sale at the Arena: \$60 for cotton shirts, \$130 for hoodies, \$300 for a tour jacket and \$1300 for a leather Bieber biker jacket.

????????????????????60????130????300????????1300????

All this plus the travel costs of getting there from all parts of Britain, and of course, food, drink and hotel accommodation.

????????????????????????????????

So, some of those fans will have spent thousands of dollars to watch their hero perform for two hours.

????????????????????????

So how did Justin repay them?

?????.????????

He threw a little tantrum, that's how.

????????????

He dropped his mic, stopped the concert, and flounced off stage.

????????????

Minutes later, he returned and sneered: 'Manc can't handle the talking so I won't talk.'

????????????????"????????"

Well no Justin mate, it's more that 'Manc' prefers to hear you singing.

?????"????"????

If 'Manc' wanted deep, meaningful conversation about the purpose of life, they'd go see the Dalai Lama.

????????????????????????????????

My advice to Justin Bieber is simple, and it's the same advice I would give my own sons: be the guy your dad believes you to be.
