

《被遗弃的小马有个泰迪熊妈妈 紧紧相偎超暖心》

Newborn foals rely on their mothers to provide everything from food to motherly affection?

????????????????????????????????

But after Breeze the Dartmoor Hill pony was orphaned, his cuddles have come from a 4ft teddy bear, which rescuers have given him as a surrogate mother. One-week-old Breeze was found abandoned on Dartmoor National Park on May 24 when he was just a few hours old?

????????????????????????4??(1.2)?????"?"?????????????????????"?"????????????????5?24????????????????
????????????????????

Rescuers nursed Breeze back to health at the Mare and Foal Sanctuary in Devon, and he was given the cuddly toy to snuggle up to in the absence of a mother?
