

《河南成立“母亲学院”旨在提升母亲综合素养 传承中国传统文化》

导读:家庭价值观、女性思维等是传统家庭理念的基础，但是传统大学却没有强调这一点，近日河南省妇联联合郑州大学宣布成立“母亲学院”，旨在提升母亲综合素养，传承中国传统文化。

A new college that aims to reinforce "traditional Chinese values" among new brides and mothers will open in Henan Province, media reported.

Courses on offer include e-business and communications, as well as other apparently motherhood-related fields such as etiquette, Chinese classics and "ideological education."

“????”??“????”??

Enrollment at the Mother College of Henan in Zhengzhou, expected to start in March, is only open to married women, school officials said at a press conference Wednesday.

????????????????????“????”????????????????????????????????

Co-sponsored by the Henan Women's Federation and Zhengzhou University, the school aims to answer President Xi Jinping's call for a return to "traditional family values" in society.

Representatives of the school said they hope to promote gender awareness they feel is not addressed at traditional universities with courses targeted specifically for women.

??

Faculty at the school will include experts on women's studies, parenting and psychology.

????????????????????????????????

According to official data from 2015, women make up 49 percent of Henan's residents, or 46.75 million.
