

《55岁奥巴马谈社交媒体 被15岁女儿取笑》

导读:美国总统奥巴马居然被女儿嘲笑不懂社交媒体？没那么OUT吧。

President Barack Obama has disclosed that his youngest daughter recently mocked him on Snapchat.

???????????????????? Snapchat (???)????????????????

The US leader said Sasha had recorded him discussing the social network at a family dinner and then quietly posted a reaction to her friends.

??

It is not the first time the president has discussed his 15-year-old's online activities.

????????????????15????????????????

In July, he said she also tweets, leading several media outlets to try to identify her account.

??

Messages posted to the app are designed to disappear after being viewed or within a short period of time, but there are ways to circumvent the restrictions.

Snapchat ???“????”??

President Obama recounted the latest event on Monday's edition of the Jimmy Kimmel Live TV show.

????????????????????????????????

"Sasha gave me instructions on Snapchat," he said.

???“?????Snapchat?????”

"One night at dinner we're sitting there, and I had read that Snapchat was becoming really popular among her age cohort. So, I said: 'So, tell me about Snapchat.'

“????????????????? Snapchat ??????????????????’?????????????”

"So, she starts explaining stuff - you can make little faces on your picture, and this and that and the other.

“?????????????????——?????????????????????”

"And at the end of it, Michelle and I are sitting there. And I said: 'Isn't this interesting?'

“?????????????????????????????”

"And I started talking to Michelle about the implications of social media and what all this means.

“?????????????????????????”

"[And I] come to find out she was recording us the whole time, and then sent to her friends afterwards: 'This is my dad lecturing us on the meaning of social media.'

“???”

"And she took a picture of herself sort of looking bored."

"But they worry that if government is in there too much, then who is going to protect them from government?"

“???”

"This is going to be a big debate that we're going to have for a long time."
