

《会玩还是讽刺？英国2岁男童扮成特朗普的模样过万圣》

导读:万圣节来临，西方各国也是纷纷忙着过节。近日，英国一妈妈将自己的孩子打扮成特朗普的样子，并视其为“怪物”。

This two-year-old boy has scared his friends by dressing up as Donald Trump for Halloween.

????????2????????????????????

Hannah Robinson decided to dress her little boy Mason as the Republican presidential candidate after listening to his TV debates with Hillary Clinton.

?????????.????????????????????????????????

She said: 'I was looking for a monster outfit for him for Halloween and then I was watching all the coverage of the American elections and what Trump has been saying and I thought, that's it - he's a monster.

????“??”

'He seemed like such a horrible character, I just had to do it.'

“????????????????????????”

'I went on eBay to look for a baby suit and got one for ?2, and I got a plain white shirt and the red tie for ?1.

“??eBay????????????????2????????????1????????????????”

'But I ended up ordering a Jedward wig because I could only get a Trump one from America.'

“????????????????????????????????????”

Then Hannah, who is a trained make-up artist, got her brushes out.

????????????????????

'People do sometimes say it's cruel, but if he didn't like it he wouldn't pose for them, he thinks it's funny.'
