

《中国的发展和稳定需要强大的核心领导》

导读:随着中国的改革运动进入了“深水区”，确定一个强大的核心领导也是迫在眉睫。

BEIJING, Oct. 29 (Xinhua) -- As China has entered a crucial stage in the building of a "moderately prosperous society in all respects", a strong core leadership is needed to ensure the development and prosperity of the nation.

????10?29?? ??????“?????”????????????????????????????

A key meeting of the Communist Party of China (CPC) this week has called on all its members to "closely unite around the CPC Central Committee with Comrade Xi Jinping as the core."

?????????????????????“????????????????????”?

It is believed that such a call is of great importance to maintaining the unity of the Party and upholding the authority of the CPC Central Committee and its central, unified leadership.

??

Also, it will enhance the cohesiveness of the Chinese nation and encourage the Chinese people to overcome difficulties and challenges.

??

China's reform campaign has entered a "deep-water zone". The CPC, as the ruling party of China, faces unprecedented tasks regarding reform, development and stability, as well as unprecedented risks and challenges.

????????????????"???"??

In this situation, it is even more urgent to make sure that all Party members act in conformity and the entire country maintains solidarity.

??

CPC with a strong core leadership is capable of leading the entire nation forward in the "new long march."
