

《奥巴马真认可川普当总统？白宫会晤意味深长》

President Barack Obama and Donald Trump put on a united front and vowed to work together in what appeared to be a friendly meeting at the White House Thursday.

??

Trump said he was 'looking forward to dealing with the president in the future', while Obama claimed he was 'very encouraged by the interest in President-elect Trump to work with my team'.

????“????????????????”????????“????????????????????????????”?

Body language expert Patti Wood has analyzed the first meeting between the most powerful man in America.

??

'Trump holds his own hands as he begins speaking which is an indication he needs to comfort himself,' she added.

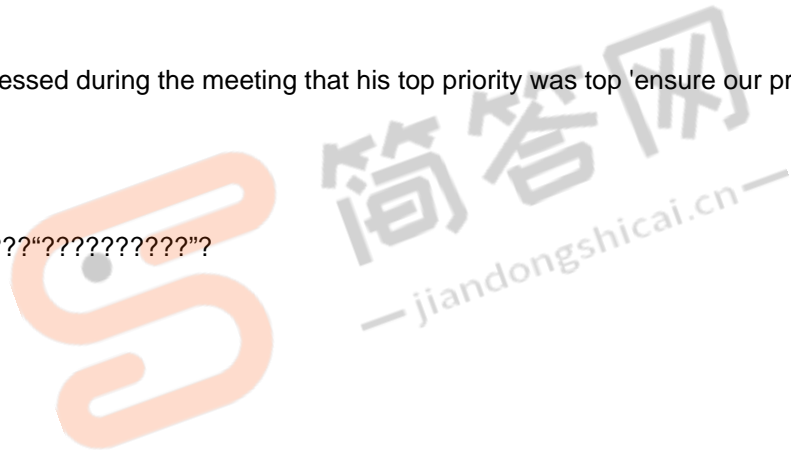

‘???’

Wood pointed out that as Obama gestures, he rests his arms on his legs. 'That's not typical Obama which tells me he is weary.'

???’

The sitting president stressed during the meeting that his top priority was top 'ensure our president-elect is successful.'
