

《不如跳舞：高速路堵车6小时大妈跳起广场舞》

导读:对于同一件事情，不同的人会有不同的处世之道。近日在山东省，由于严重雾霾不少乘客被迫滞留。本是一件十分令人抓狂的事情，可是大妈们却玩嗨了，公然跳起了广场舞。

This is the incredible moment dozens of motorists deserted their vehicles to dance in the middle of a highway during a major traffic jam.

??

The dancers, mostly middle-aged women, have been stuck in the traffic congestion for six hours before their improvised performance, according to Chinese media.

??6????

The video is believed to be filmed between November 13 and 14 in northern China and has been widely shared on the Chinese social media platform Weibo.

The traffic jam was reportedly caused by heavy smog as the entire northern China was blanketed by pollution over the weekend.

????????????????????????????????

However, the traffic jam didn't stop enthusiastic travellers from enjoying themselves.

????????????????????????

A group of female motorists left their cars and started dancing in a small gap on the motorway, surrounded by large lorries and vans, Guancha.cn reported.

Their energetic moves attracted many spectators who were also stuck at the congestion.

????????????????????????????

To carry out the public performance, the crowd formed straight lines and danced to a 1990s Cantonese pop song called 'Queen's Road East'.
