

《三星或在中国裁员20%，裁员数量可达千人》

导读:三星因Note 7

爆炸而跌入深渊，近日，三星中国员工爆料称，12月开始三星中国将裁员20%。

Samsung Electronics Co reportedly will cut 20 percent of its staff in China to improve its operations, amid a crisis resulting from its fire-prone Galaxy Note 7 smartphones.

Widespread media reports about Note 7 phones catching fire led Samsung to stop sales of its flagship model, and in October it announced a recall of 190,984 Galaxy Note 7 smartphones sold in the Chinese mainland.

The company's profit plunged 29.7 percent year-on-year to 5.2 trillion won (\$4.4 billion) in the third quarter, as the crisis cut the earnings of its mobile division, the Xinhua News Agency reported in October.
